Have Your Say on the 2026 Budget: Share Your Priorities

The Town is committed to creating a budget that reflects the priorities of our residents while delivering service excellence and being fiscally responsible in managing our community's assets and operations. As part of the 2026 budget process, we are seeking your input to help shape the future of Stouffville together. Stouffville Residents had the opportunity to submit their comments through an online survey June through August through an online survey and spending simulator. In this meeting, we will review feedback from the community and look forward

The budget process involves careful planning and reviews at every stage, with key inputs drawn from studies, plans, and direction previously approved by Council. Hundreds of staff hours are dedicated to ensuring that we adjust for growth, comply with legislative requirements, and factor in inflation to meet the needs of our community.

Learn how your tax dollars are being spent and share your thoughts on priorities for 2026 and beyond at the Budget Engagement Meeting on October 7 at 7 PM at 19 on the Park.
