International Long COVID Awareness Day

Date and Time: Monday, March 9 5:00 pm

Address: Whitchurch-Stouffville, ON L4A 1G5

From March 9th - March 15th, the clocktower will be lit up at dusk to recognize International Long COVID Awareness.

March 15th marks International Long COVID Awareness Day, a day dedicated to raising awareness and amplifying the voices of millions who continue to suffer from the prolonged effects of COVID-19. For many, the acute phase of infection has passed, but the lingering symptoms persist, often in ways that disrupt daily life, work, and relationships.

ReZone + ReDesign Statutory Meeting

Date and Time: Wednesday, March 11 7:00 pm - 9:00 pm

Address: 111 Sandiford Road

We're pleased to share an update on ReZone + ReDesign Stouffville, the Town's project to rewrite our Town-wide Zoning By-law and Urban Design Guidelines. As part of the first phase of this project, we are advancing two Housing Accelerator Fund (HAF) initiatives aimed at creating more housing options in our community:

1. **Parking Standards for Medium & High-Density Housing:** We're reviewing parking requirements—

especially along Main Street—to better support future medium- and high-density development.

2. **Expanding Missing Middle Housing:** We're exploring where up to four units per property could be permitted and how to introduce more diverse housing types such as multiplexes, low-rise apartments, and other multi-unit homes in our community..

Before the **Statutory Public Meeting on March 11** at 7pm in the Town Council Chambers, where staff will present the first draft of the zoning by-law amendment related to these two initiatives for feedback, we are seeking additional community input to help inform the by-law.

We invite you to share your thoughts by completing [Online Survey #2 – Expanding Our Housing Options](#).
