Have Your Say on the 2025 Budget: Share Your Priorities

The Town is committed to creating a budget that reflects the priorities of our residents while delivering service excellence and being fiscally responsible in managing our community's assets and operations. As part of the 2025 budget process, we are seeking your input to help shape the future of Stouffville together. This is your chance to share your priorities and make your voice heard.

The budget process began in April 2024 and involves careful planning and reviews at every stage, with key inputs drawn from studies, plans, and direction previously approved by Council. Hundreds of staff hours are dedicated to ensuring that we adjust for growth, comply with legislative requirements, and factor in inflation to meet the needs of our community.

Learn how your tax dollars are being spent and share your thoughts on priorities for 2025 and beyond at the Budget Engagement Meeting on October 17 at 6 PM at Town Hall in Council Chambers. Additionally, a survey is available until October 18, giving you the opportunity to be an active participant in the budget process for not only 2025 but for future years as well.

Together, we can ensure that Stouffville's budget reflects the priorities of our community, so don't miss this opportunity to get involved!
