Tiny Forest Planting

Date and Time: Saturday, November 1 10:00 am - 12:00 pm

Address: 915 Millard Street

A small but mighty forest is taking root in the heart of Stouffville. On November 1 at 10 a.m., Madori Park is set to become the home of the town's first-ever Tiny Forest, a project made possible through a new partnership between the Town of Stouffville, Desjardins, and the national treeplanting charity Trees for Life.

On planting day, all are invited to grab a shovel and play a hands-on role in bringing the forest to life. Unlike traditional urban tree plantings, this project is inspired by the Miyawaki method, a proven approach to restoring ecosystems in urban environments by planting dense clusters of native species. Over time, this creates fast-growing mini-forests that mimic the layers of a natural woodland, from shrubs to canopy trees. The result is a vibrant outdoor space designed to enhance community well-being, offering opportunities for connection, learning, and engagement with nature.

The Tiny Forest at Madori Park will be the first of its kind in Stouffville, but its impact will stretch far beyond the boundaries of the park. As the forest matures, it will evolve into a welcoming space that enhances the experience for nearby residents and park users, offering shade, seasonal interest, and a sense of connection to the natural world. Just as importantly, it will serve as a daily reminder of the power of community-led action to address climate change and build resilience.

Tuesday, November 4, 2025

Ninth Line Visioning: Open House #2

Date and Time: Tuesday, November 4 7:00 pm - 9:00 pm

Address: 5592 Aurora Rd

Tuesday, November 4, 2025 at 7:00 p.m. at Ballantrae Community Centre

We're excited to share updates on the Musselman's Lake Community – Ninth Line Visioning project. We've received a strong response from the Community since the Open House #1 in June and we are pleased to provide a summary of what we've heard along with what our next steps will be. We want your feedback as we continue to shape this important discussion.

Project Overview:

The Town of Stouffville and York Region have teamed up to study the future of Ninth Line through the Musselman's Lake area — community engagement and long-term planning is at the heart of it. While early conversations began back in 2018, progress was paused due to the COVID-19 pandemic. The Town and Region are moving forward to study options intended to improve Ninth Line for all travelers.

Open House Details:

- **Format:** In-person event.
- **Purpose:** To engage the community, share Community feedback, present the project's next steps, and gather valuable feedback.

We encourage everyone to attend and share your insights, as your voice is essential to shaping the future of the Community.

For more information, please visit our webpage or contact the Town's project team directly.

Wednesday, November 19, 2025

Ladies' Night

Date and Time: Wednesday, November 19 5:00 pm - 8:00 pm

Grab your friends and get ready for a fabulous evening of shopping, dining, entertainment, prizes, and exclusive deals in the Village of Stouffville!

Stroll along Main Street from Park Drive to just west of the GO Station and explore special offers, giveaways, and one-of-a-kind experiences from your favourite local shops and restaurants.

Enjoy complimentary bites and bubbles at 19 on the Park, and celebrate a night dedicated to community and supporting local businesses.

\$15 per person

All proceeds support the local food bank, helping families in our community. Ticket holders enjoy access to all Ladies' Night exclusives throughout Main Street. Plus complimentary prosecco and a sweet treat when supplies last at 19 on the Park!

This is the perfect opportunity to treat yourself, get a head start on your holiday shopping, and experience the vibrant charm of Stouffville's historic Main Street.
